## Terms and conditions for artViper™ website thumbnails

### 1. Free for non-commercial domains

You are hereby granted to use the thumbnail API freely as long as you

- a) place a backlink to all pages the thumbnails are shown
- b) use on non-commercial domains only
- c) do not use them on sites that contain adult or pornographic material

### 2. Denial of service

artViper™ has the right to terminate and delete your account at any time if the following issues occur

- a) illegal use of userID's
- b) building an own screenshot service using artViper™ webshot API
- c) charging clients for using artViper™ webshot API
- d) hammering or requesting repeatedly too many screenshots
- e) setting no backlink to artViper™ website.

### 3.) Liability

artViper™ offers the thumbnail API as a free service. No claims can be made for not functioning properly, timeouts or any other issues. Use of the API on your own risk. artViper™ cannot be held responsible for any damages, loss of information or any other damages that might occur by using the web API.

### 4.) Surveillance

artViper™ is allowed to periodically check for a set backlink as well as which sites use the API. Failing in complying to our terms of service will result in immediate blocking of the website in question. Furthermore artViper™ is allowed to send emails to the registrant with information about updates, news and other information.

If you do not accept these terms, you are encouraged not to register an account with us.

### 5.) Information

If you have questions about the web API, feel free to drop a line to: [info@artviper.net](mailto:info@artviper.net)
